

## Lafayette Is Going Green!

Lafayette College has begun the process to “Go Green” in an effort to save our resources. Several publications, news flashes, announcements and invitations will now be sent electronically. One of the publications that will be online only is the *Parent Handbook*. It can be found easily on the Parent Web Site.

I would like to offer parents the option to receive *Hill to Home*, the parent newsletter, and some of the other Lafayette communications via email. If you would like to support our Go Green Initiative, please check YES below and send your email address to me. Your support of this effort will be appreciated – by the College and the planet!

Thank you!

*Donna Krivoski*
